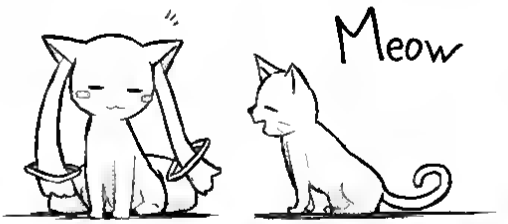
Ah... umm...
Erm... yesterday..
I-I'm sorry, okay?
I broke our promise..
Umm.. my mom had to run an errand... and I had to watch over the house. It was sudden... so..
Eh? That doesn't bother me at all. You don't need to look so sad.
R-Really? You aren't angry?
Nope! But I really love that you came all the way out here to tell me
T-Thank goodness... ehehe.
Hey! Hey! Can you play today?
Yup! Today is good!
...
Ohhh!! Yayy! Okay then..!
...Hey... I'm sorry... about earlier...
...
ドン
COUGH

I can't say it!!!!!!
That's why I'm having so much trouble!!!!
ビク
ビク
Besides, all I did was sneak some snacks. What was different about what I did today that got her so angry?
Sigh
Still, you're the one at fault. You want to apologize, don't you?
Yeah, I guess so...
...
... Hey!! Since when did you get here!?
Now, just now.
Just as you see.
And why do you understand what's going on with me?
Hmm... because I can read your mind, I suppose?
....

She pulled one over on me...
Here, hold out your hand.
Well, all joking aside...
I brought a special item for you today, Sakura-san
Huh?
...
TIRO COUPLE
What the hell do you want me to do with this!?
I can assure you that Mami's medicine is effective and perfectly safe
What's with this suspicious looking junk?
How rude!
Tiro?
Best Yuri Couple Award
There's nothing to be worried about
My medicine is the main reason that Kaname-san and Akemi-san were able to achieve the "Best Yuri Couple" award!
Like this
Seriously!
Serio-usly!?!?
She's lying

GULP GULP
with Sayaka!!
Plus, the medicine itself isn't very potent.
It only gives the person who drank it some courage and opportunity to renew their friendship
Cour-age
The rest depends on you
...
SQUEEZE
The courage to make up



Meow

...
Twitch
...Okay...

?
Hehe..
What's going on here!?!?
Your ears are twitching...
This isn't what you said would happen!!
and your tail is waving around..
H-Hey, hold on a moment! All I did was grow cat ears, what am I supposed to do now?
Now then, shall we get right to having you and Sayaka make up?
Pat Pat
How adorable!!
Listen to me!!

Shriiiiiiiiink
Relax, I'll be supporting you...
Huh?
Supporting me? How...?
Lind
....
Any other questions?
None? Very well.
MINI
MAMI
This is how!!
You're seriously going to come with me?
Ah, could you put me on your shoulders?
My stride is short.

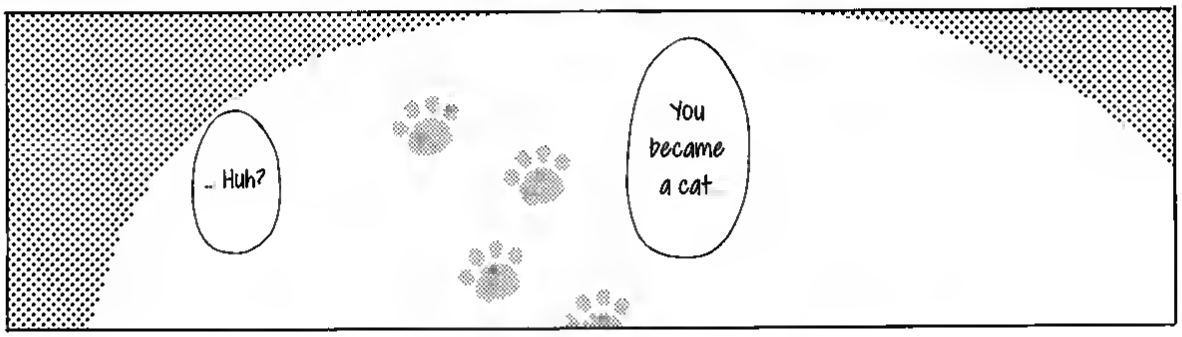
.....
HESITATION
Enthusiasm

CALM DOWN!
Not going to press it?

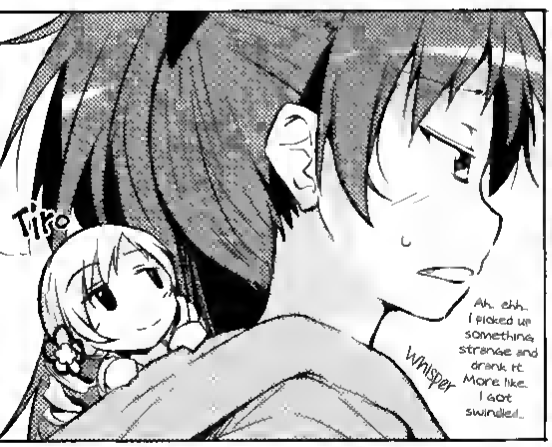
Uuo ohhh hh!!!
DING DONG
Ah, Kyuubey pressed it!
I made it over here, but how am I supposed to explain all this? Where should I start? There's a chance she won't even open the door...

Kyouko?
Quit screw-ing around !!!
Nobody asked you to do that!!
I lost my patience
You're annoying

....
Ah...



You became a cat
.. Huh?



Tiko
Whisper
Ah. ehh.. I picked up something strange and drank it. More like.. I got swindled..

Sakura-san!

She asked me right away! Well, no kidding..
So..
What's going on, exactly?

Speak clearly and with confidence.
Don't mutter like you just were, all right?
Y-Yeah, yeah!
Hm? What was that?
Repeat everything I say. I'll smooth things over for you.
whisper whisper
A-Are you sure about this?
You'll be fine.
Here we go
"Say-aka"
"Keep me"
Keep me!!
Sa-yaka!
twitch
W-What is it?!

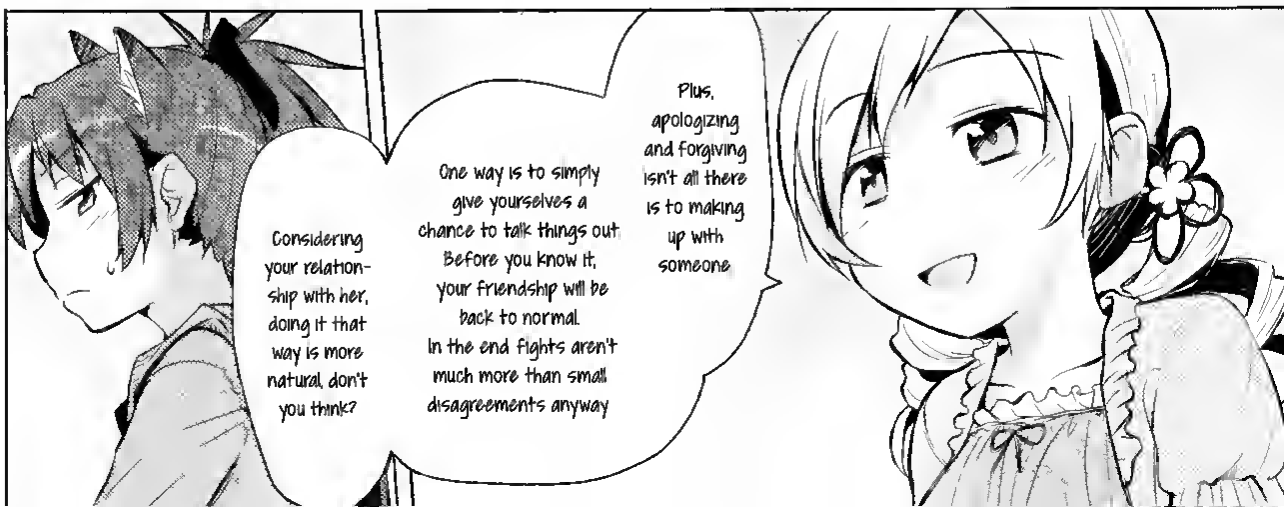
What...?
Hm?
Ah... hey!!
I...I... I need to use the bath-room!
"Keep"
...!?
W C
SLAM
What the hell are you making me say!?
ANGRY
"I want to be your pet"
That's not what I'm talking about here!!
Nobody told you to put it in different words!!

Sorry for opening it without asking you.
Is this..
Damn it. I don't believe this.
Ah
open
Ahhh!! Crap!!
I completely forgot about it!!
Hey.. how about we eat this together.
I'll put some tea on.
Ah, no... I mean...
So.. now I guess we're even... or something..
...I did eat yours on my own.
Ah...
...
Well.. you know..

So what... I can just split it in two...
Eh? But there's only one piece
No... that's not what I meant...
Have it all to yourself. I had all of yours before
AHHH JEEZ!!!
LISTEN - TO - ME!
Eh?
...Dummy.
That piece before... I planned on splitting it...
with you...
...Idiot.
.....
And yet you ate the whole thing yourself
Besides, if I ate this one, I'd get fat.
I'm not like you.

I'll get these cleaned up.
Okay

See? You were able to make up with her.
I would't call it that. I didn't apologize, and she didn't forgive me... The ears didn't help out, either.
But thanks to the ears, your fight wasn't the first thing you talked about
...



Plus, apologizing and forgiving isn't all there is to making up with someone
One way is to simply give yourselves a chance to talk things out. Before you know it, your friendship will be back to normal. In the end fights aren't much more than small disagreements anyway
Considering your relationship with her, doing it that way is more natural, don't you think?

I see
...
Right.. well...
I'll thank you for giving me that push, but that's it...
TURN AWAY
So..
If I just leave these alone, will they disappear?
Kyuu
Eh?
I'm talking about the ears
That awkward silence is making me nervous
Pui
Is it a problem if they don't?
Of course it's a problem!! I can't go outside like this!!
Just tell me how to get rid of these things already!!
If you insist.. then conventional wisdom states a specific method to dispell curses and magic
She just called it a curse..

Huh?
Though Sakura-san, in your case it may be...
the kiss of a princess... hmm?
Flat out!
THE KISS OF A PRINCE!
Twitch
Twitch
...
Hey, Kyouko?
It's still early, do you want to...
Whaa at!?
Basically, you need to use your lips to take some of Miki-san's body heat and...
Body heat...!?
Go ahead, Kyuubey. Put the images of it inside Sakura-san's head.
That's enough!!!
Naturally, after that, you can push her down and do XXXX or YYYY as well...
...!?

Ehh...
Hey!?

Eh. huh? What happened?
Huh!?
Too much... stimulation...
Good grief..
ポフ
Gahh...

It's because you eat too much chocolate on a regular basis
You're very likely to come down with diabetes in the near future
Squeeze
hold
Ow ow ow
Hm?

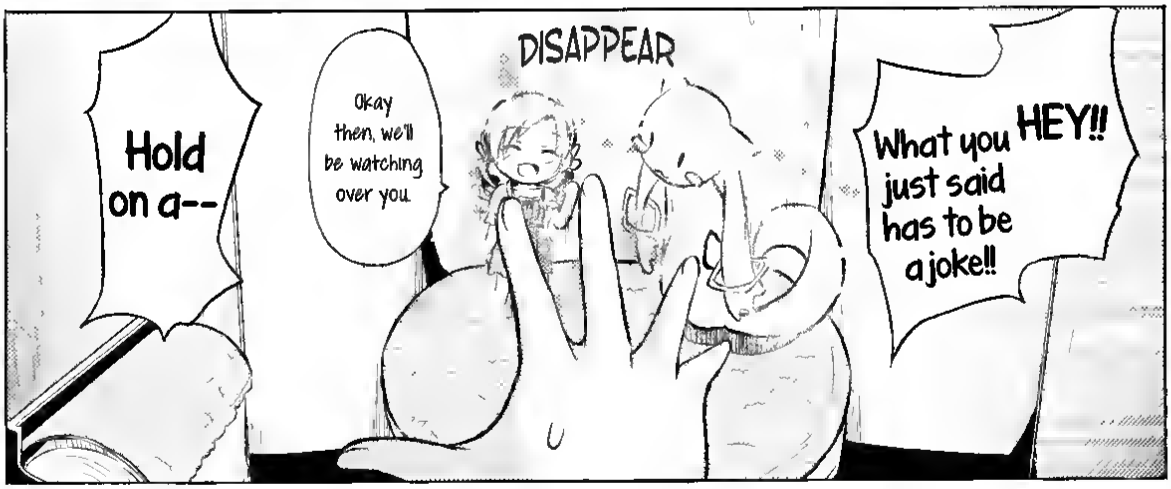
Jeez... don't get it on my futon or anything, all right?
Are your clothes okay? You probably don't have anything to change in to.
Use your lips
and take Miki-san's body heat.
B-B-B-B-Bath-room!!
Again!?
Haa
Haa
What?
I thought you two kissed and kissed every day if you had the time
WE DO NOT!!!
Where did you hear that from!?

Come on have some optimism! This is a chance for you to deepen your relationship with Miki-san
Frustration WAVE
WAVE
Did your soul gem get dirty?

I've never kissed her Isn't there any other way?
Is that so?
Nope

HUH!?
Too bad, really, too bad.
Ah, it looks like my time here has run out
Fade
Fade
Let's go home, Kyuubey

You've become such a cute kitten, why not make an appeal for some affection?
Meow~



Hold on a--
Okay then, we'll be watching over you.
DISAPPEAR
What you just said has to be a joke!!
HEY!!

ABANDONED

...
Ehh. hey-

Appeal...
And what does she even mean by "appeal"...?
Wiggle
Wiggle
Sigh
Damn it... Mami is so irresponsible...
How is this a chance...?
What are you doing...?
I'm telling you, I can't say it!!
Ahhh...
Hm?
Ahh...
...
Sa... Sayaka
My ears
Hm?
Do you think they're cute?

JUMP
There!
Hyaa aaa!?
ヒョ
!!
Saya Don't do that..!!
nnn ahh...!!
What? Eh?? What? Your tail actually has nerves?
Eh? Thinking it over, wouldn't keeping Kyouko as a pet be an incredibly advantageous situation for me!? I could give her milk, put a collar on her, scratch her throat, take her out on walks... ehh. whooa...!! This is dangerous!! Can I do it!? Kyouko always did have a small animal like cuteness to her to begin with. She always did seem lonely even if she put up a tough front (the rest is omitted)
Wow... wait.. damn! She's seriously cute!! Hm? Wait, hold on a moment!! If I remember correctly, then she did say something like "Keep me" ...Did I mishear? No, she said it! She definitely said it!!

Ah, sorry, you were just so cute.. er.. I mean... enjoyable to tease..
.....
No... Saya...
N-No more... please...
Ha
So...
A cat has to have its milk! Plus, since you're a house cat, you need to have a collar on.
spin
You've been acting strange... You're too riled up...
And this milk!?
What's with this collar!?

Now I need pet food...
PET FOOD!?
SHOCK
Ah... are you hungry? You did have cake earlier
No If I wasn't resisting your use of "pet food" then there's something wrong with me
Anyway, we can take care of your pet food later on...
Here!
I put the milk in the bowl for you, so drink up!
Ehhh ....?
ANGRY
What is it..? Are you going to waste a drink?
That's what she pulls on me!?
Drink!
Drink!
No, this is too much As a human being, I can't crawl around and drink milk from a bowl on the floor

LAP
Lap
Just throw away that lame sense of pride you have!
You're reading my mind!!
You can do it too!?
It feels like I've sold out on something very important to me.
I don't get it. How did it come to this.
Good, good!
...

Should I tell her everything and ask if she would help me out? That I need her so I can return to normal...
What should I do... Asking her to kiss me all of a sudden wouldn't make sense...
Okay... next up
"I need you"...
"So help me out, and give me a kiss"...
...What's with that?
Unz
ip
Hm?
Roll
slip
Get serious here!
What do you think you're doing !?!?
I'm not sure if cats need clothes...

.. What, did you get those ears from drinking this..?
Friendship remedy?
Oouu ahh!!!
What's this?

N-NO! THAT'S NOT IT!! UMM... IT WAS MAMI! MAMI FORCED THIS ON ME! I ACTUALLY DIDN'T EVEN NEED THIS, BUT MAMI WAS SO ANNOYINGLY PERSISTENT ABOUT IT. I HAD JUST A LITTLE DRINK SO I COULD GET RID OF HER. THEN I ENDED UP WITH THESE EARS AND THIS TAIL AND SHE FORCED ME INTO YOUR HOUSE AND...

...
...

I bet that's how you drank it, huh? You suspicious girl!
How adorable!
AH
AH
Shut up! Shut up!

GULP!
you want to make up with Sayaka!!

PFF...
AHAHA
AHAHA
AHA
HAHA
AHA
AHA
Ahaha! That's because
You're laughing too much!

...
Well?
Are we going to?
Kiss, that is
Eh..
Why?
We have to
What do you mean why? You can't get back to normal otherwise
I don't know for sure
Mami might just have been teasing me. There may be another way to go about it

... umm...
... f-first kiss... with me..
... For such a nonsensical reason, you'd have your...
Plus...
are you even okay with it? Doing that with me..
?
...
If we push Mami for some answers, then maybe..
...
You don't need to force yourself to do it now.
... I mean, you know..
there's no real need to rush, is there?
...
... That's quite a cute thing to say.
Don't mess around.

... Even when it wouldn't have been a kiss to get you back to normal...
you've never given me one all this time, have you?
Eh?
Ahhh, fine, fine! I get it!
Honestly!!
You act so tough on the outside... but on the inside, you're completely different!!
Even though you always take a broad approach most of the time, you're really picky about odd things
So, what? If I said that I didn't mind if we kissed for that reason
"OKAY! LET'S KISS! *SMOOCH*"
Would that have happened!? You'd totally find another excuse!!
Ahh jeez!! You're such a pain!!
...
Sigh

Eh?
Some aspects of my personality are the same as yours, right?
You should know that very well
Well, I'm not much different myself

I can never take that final step
Whenever something is very important to me, and I want to try my absolute best to get it

I end up waiting for the other person to realize that..
and I make up an excuse on the spot to get out of doing so..
I'm unable to say what I truly want to..

I don't think... that'll ever change for the rest of my life, it's just who I am.
It's the same this time around...
All this time, all I've been doing is waiting and waiting for you to make a move.
...?
...
... Um...
Saya...
You don't under-stand?
I'm telling you that I'm sick of waiting.
...

Ehh.. um..
Could you... close your eyes?
Yep.

Badump
Badump
Are you asking for my impression?
Eh? How was it..?
H-How was it..?
...
Ah, um... how should I put it..
err... I don't really get it, but..
It was incredibly...
relaxing.
Pff...

Relaxing, huh..? Hehehe
W-What..?
Oh, nothing... I just thought it's like you to say that.
Hearing that somehow puts me at ease too...
Umm... I may have said a lot of things, but...
In the end, I prefer you just the way you are.
Yep!

See? I knew it. This was such a small thing that you forgot about it
Hey, Kyouko... your ears
Ahh! So it did work..
Hmm... ahh, yeah..
I was just about to ask you earlier, but would you like to go out somewhere? It's still early
Oh yeah, I forgot too.
Since I'm finally free of the witch's curse...
let's...
...
... Hm? What is it?
?
...
Cute
Huh?
The Over-watching witch

Extra Rough Sketches

Ehh? Why not? Come on! Put these on!
Why should I put those on me just after I finally got the other ears off?
So we can match! So we can match!

あとがき

最後まで読んでいただきありがとうございます。
今回で3冊目となったまとマギ杏さや本ですが、いかがだったでしょうか？
本当は去年の冬コミの時に描こうとしていた話なのですが、
当時12月に入った段階でまだ手を付けておらず、
ページ数が多くなりそうだったので他の短め話を選びました。

今回はとにかくザンネンな杏子ちゃんが描きたくて、
なんか変なマミさんやスイッチ入っちゃったさやかちゃんに弄くってもらいました。

「ゴメンナサイもアリガトウもうまく言えないザンネンな杏子ちゃんが勇気を振り絞って一歩踏み出す話」
…という文面にするととっても素敵な話を描こうと思ったのですが、
いろいろと脱線し変なノリになったうえに、どう見ても杏子ちゃんよりさやかちゃんの方がカッコイイ…
で、でもカッコイイ杏子ちゃんを描こうとした形跡がっ…　無いですね、はい。

目的達成できたかは怪しいですが、杏子ちゃんのいろんな表情が描けて楽しかったです、満足。

それはそうとキスシーンとか想像以上に描いてて恥ずかしかったですね…
もしR-18本とかだそうとしたらどうなることやら…想像するだけで…
うあぁ…

では続いて無駄話を…
今回は過去にもないほど大変でした…
7月に入ってすぐエアコンが故障してしまい、とても作業できるような環境じゃなくなってしまいました。
新しいエアコンが届くまでの間、作業できず…　気づいたら残り2週間程度に…
原稿が忙しすぎてオリンピックも全然見れなかったです、サッカー日本代表の雄姿を見たかったですね。
毎度毎度こりないですが、次こそは余裕を持って入稿したいですね（前も言ったはず）

さて、次回は冬コミかもっと前かは分かりませんが、おそらくまたまどマギ本を描くと思います。
今回も友人に「またまどマギ？冷めないなw」などと言われましたが、
好きなモノは好きなんだからしょうがないですね。

最後にいつもどおりのご挨拶。
まるで定型文のようですが、もうこれ以外に言葉が見つかりませんのでご容赦を…
今回も応援してくださったみなさん、本当にありがとうございました。
こんどこそダメかと諦めかけた時、
みなさんの応援ひとことひとことがちからになって無事完成させることができました。
誇張でもなんでもなく、事実です、ありがとうございました。
それではまた遠くないうちにお会いできますように…
